Sir,

I forward herewith an estimate for the work cited above and request orders of Government to carry it out departmentally under Petty Construction and Repairs. In view of the recent transfer of pupils from Ranipet to Bellary, many of the Boys are not having their night study for want of lights. Hence the proposal to put up temporary lights. Sub: Junior Certified School, Bellary - Block No.11 - four rooms - Temporary Electric lights - fitting up - sanction - request of.
REF: Your No.Doc.1709/S.2/39 dated 28-5-1940.

The extension of electric lights to Block No.11 could not be executed this year as funds are not available vide Chief Inspector's letter quoted above.

About 150 boys are not able to have their night studies without proper lights and it is very difficult to provide other lights for this purpose.

I therefore consulted the Executive Engineer, Bellary, for providing 4 temporary lights to Block No.11. He stated that he has no objection to have temporary lights fixed at the cost of this school and directed one of his approved contractors to furnish me with an estimate. An estimate for Rs.30/- has been received. It was shown to the P.W.D. electrician and he stated to me that the rates are reasonable. The estimate is submitted herewith in original for favour of perusal and return. Bulbs will be

be supplied by this school. I request the Chief Inspector to kindly sanction the fixing of temporary lights and permit the expenditure to be incurred from the funds allotted under P.C.R. - petty works and repairs under Rule 934 Madras Prison and Reformatory Manual.
